# RBC Master in Residence: Steven Page

Date: May 19, 2018

Time: doors open: 7:00 pm, showtime: 8:00 pm

Price: \$20

Join the National Music Centre on May 19 at Studio Bell for an evening of conversation and song, featuring legendary Canadian singer-songwriter, Steven Page, the latest RBC Master in Residence.

Through the generous support of the RBC Foundation, a select group of emerging songwriters were chosen to workshop with Page, refine their work, and learn about the craft of composition and lyric writing. The result of that work will be presented as part of a Songwriters' Circle, followed by a live oral history and short performance by Page.

Steven Page's songs are etched in the canon of Canadian music. As one of the principal songwriters and lead singers for Barenaked Ladies, Page co-fronted one of the most unique success stories in Canadian music, leaving a legacy of international hits and a rabid, global fan base. Page left the band in 2009, but continues to contribute to Canada's musical story through his successful independent career.
